Hand Made Egyptian Crocheted Doylies 1-2 Their Worth

It's hard to realize that any one would take the time to make these handsome Art Pieces by hand at the insignificant prices they bring. You wouldn't attempt it for several times our selling price. Yet these trifling figures include the importer's profit, transportation from Egypt and the maker's wage. It's an object lesson on the cheapness of skilled needlework in the land of the pyramids.

For table and general decorative purposes, these complicated hand made Doylies lend an appreciated effect. The importer finds himself unable to supply the demand. In fact we secured the consignment only after months of waiting. Their selling will be a matter of a few days.

Judge by any standard you choose, they're worth at least double our special prices. Four sizes—a score of designs for selection.

ATTEMPTED MURDER AND SUICIDE

Minn Attempts to Kill Merrill Woman Commits Suicide

One of the most cowardly and cold blooded acts in the history of this community was committed at Merrill last Sunday afternoon when one Hibbard Vachreau shot Mrs. Al. Quick with intent to kill, and then committed suicide.

The participants of this horrible affair had been close friends for many years and had been apart for some time until recently, then met again in the west.

Vachreau arrived at Merrill last week from Portland, Oregon, and registered at the Commercial Hotel as Frank Jones, St. Paul. It is stated that he came to Merrill with the intention of either taking Mrs. Quick back west, with him or committing the dastardly deed which he attempted on Sunday.

He called on Mrs. Quick soon after his arrival in the city, and on being repulsed in his proposal of an elopement made some severe threats, and the police were appealed to by Mrs. Quick for protection.

Before, however, asking the police for positive protection, Mrs. Quick decided to give Vachreau a chance to recall his threats and to leave the city, and after searching all day Sunday for him finally, with the assistance of Walter Kerslake, special policeman, he was located and in the presence of an officer the situation was discussed. The pair started out for a walk apparently satisfied as to each other's intentions, and on arriving at the rear of the Merrill from Works this bend drew a revolver and shot Mrs. Quick, the bullet passing through her hand and causing a severe scalp wound. The officer strolling along in the rear was greeted with a few wild shots, which he returned, after which Vachreau deliberately walked over to the form of the wounded woman and fired a second bullet into her head, the bullet entering back of the ear. He then turned the pistol on himself and placing the muzzle of the instrument in his mouth fired and dropped dead.

Mrs. Quick was at once removed to the Commercial House and doctors summoned to attend her. An ambulance took the dead body of the man to the undertaking department and the woman was then taken to the hospital.

Mrs. Quick is still alive today and after the bullet had been probed for and removed, regained consciousness, but the result of her predicament is doubtful.

It will not do for the able but deluded stand-patter to refuse to recognize it and to belittle the signs of the times. Great moral forces are at work and will continue to grow and spread until this great country of ours becomes a better place to live in. It is undeniable that something is wrong with our government and like a cancer, is eating out vital parts of our national life. It will not avoid the certain fatal results for the stand-patter to cover his head and deny any action being taken to remedy the condition "because it will hurt business." If the cancer is there the case demands that prompt action be taken to cut it out and the future fatal action be avoided by present temporary disturbance. The people have in this election served notice upon the Republican party that they expect it to represent them in the conduct of government and if the party is to remain in power it must at once adopt representative and progressive principles and thus insure in coming years that the "will of the people shall be the law of the land."

One interesting fact in the recent election is that wherever Progressive Republicans were in control they were successful and in the states controlled by the reactionaries the Democrats were elected.

RHINELANDER GIRL IS WED.

Miss Lou Robbins of This City and Edward Zabel of Milwaukee married in Waukegan.

Much surprise was caused last Sunday upon the arrival of the Milwaukee News which contained an announcement of the marriage of Miss Lou Robbins of this city and Edward Zabel of Milwaukee.

It appears that Miss Robbins went to Milwaukee to visit in October and while there met Mr. Zabel where they were united in marriage October 23, after which Mrs. Zabel returned immediately to her home in this city and remained here until last Friday night when she joined her husband in Milwaukee.

Mrs. Zabel is the daughter of Mr. and Mrs. F. S. Robbins of this city. Mr. Zabel acted as chauffeur for Mr. Robbins part of the summer and is now in the employ of the Kissel Car Co. in Milwaukee.

Mrs. Zabel has spent a great part of her life in this city and has many friends here. Mr. Zabel was in the city part of the summer and left many friends here. We join in expressing best wishes for the "Newly Weds."

Mrs. C. B. Peterson entertained at bridge today, and will entertain at Kensington Saturday, in honor of her sister, Mrs. Geo. Pillsbury, of Milwaukee.

FOLAND AND ITALIAN BOYS.

Concert Scores Big Hit in Musical Circles Here. Boys Clever.

The second number of the entertainment course took place last Friday evening, at the Armory, before a large and appreciative audience.

Foland and the Italian boys have a reputation quite enviable, and the anticipations of the Rhinelander music lovers was fully gratified.

Elbert Foland is a reader of capability, and his selections were well chosen and rendered in a very artistic manner.

Among Mr. Foland's readings were "Green Grow the Rushes, Oh," a pathetic heart story of an old man in reminiscent mood, which brought tears to many eyes in the audience.

Each number on the program was enlivened once or more, and the enthusiasm displayed by the audience was indeed merited by the performers.

The musicians, four Italian boys, were each a master of their various instruments, but special mention is due the harpist, who, though a boy of seventeen or eighteen, was conceded the best musician of his kind ever heard, by many of the critic musicians of the city.

A selection from "Poet and Peasant" on the cello, won a burst of applause from the audience, and "Trom-arai" was played as an encore.

The violin solos were artistically rendered and the "Ave Maria" was one of the most appreciated numbers.

Another enjoyable feature of the concert was a boy soprano. His solos were rendered with the ease and clearness of any female soprano of his age, and each of his numbers were anchored eagerly.

"Angels Ever Bright and Fair" with harp accompaniment, was beautifully simple and sweet, and his other selections were equally as well

executed.

The performance ended with an Italian scene, "A Night in Florence," which was the story of the ascension into fame of a young American artist.

Each phase of the artist's life, as told by Mr. Foland, was accompanied by appropriate selections by the harpist and the orchestra. "The Star Spangled Banner" was the final selection, and as the audience stood during its rendition, many of the crowd would willingly have remained and listened to a repetition of the entire program.

The next entertainment on the course is Dr. Frederick Hopkins, who will be here on Nov. 17.

WOMEN'S CLUB HEARS REPORTS.

Delegates Give Synopses of Papers at Oshkosh State Convention.

Women's club met Tuesday afternoon. After the routine business, the report of the delegates to the State Convention was given. Mrs. E. G. Squier reported on the first day's work of the state convention. Particular attention was given to the State President's address—Mrs. R. H. Edwards of Ashland, and also on the address of Mrs. Charles Morris of Berlin, "Looking Backward and Forward."

Mrs. Squier stated the day closed with a delightful reception given to the delegates at the 20th Century Club House.

The second days work of the convention was reported by Mrs. A. W. Shelton of the Woman's Club.

Mrs. Shelton spoke of the address of Mrs. Philip N. Moore, President of National Federation of Women's Clubs.

Her subject was the General Federation. Its Interests and Problems. She also spoke of the delightful personality of Mrs. Moore. Another subject dwelt upon was the American Woman, and Her Foreign Critics by Mrs. Maribee Foot Crowe of New York City.

The reports were followed by a piano and violin duet by Mrs. Harrison and Mr. Hayner. Next a trio was given by Miss Ruth Barnes, and the Misses Johnson, accompanied by Maud Dimick on piano. This closed an enjoyable literary and musical afternoon after which refreshments were served.

ENTERTAINMENT COURSE.

The next number on the Entertainment Course comes Thursday even-

ing, Nov. 17. On this occasion Dr. Frederick Hopkins will deliver one of his famous lectures and all should hear him.

No public speaker on the platform of today refutes more completely the average idea that a lecture must of necessity be a sort of penance for its hearers than the Rev. Frederick E. Hopkins. Dr. Hopkins is a brilliant, magnetic and charming speaker, an entertainer, an educator, and an educator. No man in years has made a more emphatic success with Lyceum audiences, and certainly not one is better equipped for the work. Young, of magnetic personality, with a command of language not excelled by any of his competitors and, without, unmistakably the bearer of a divine message, he brings to the rostrum an element of which it stands sorely in need, and we predict - for him certain success among our patrons.

STRONGHART TAKES BRIDE.

James W. Strongheart, after whom the play, Strongheart, was written, a direct descendant of Sitting Bull and Rain-in-the-Face, a Harvard graduate and for years a member of the foot ball team, was lately married to Miss Leah Somers, daughter of address of Mrs. Charles Morris on the Oneida reservation. Strongheart is assistant counselor of five tribes and although his social activities have always been with whites he declares that he never entertained the thought for a moment of marrying anyone but an Indian.

Strongheart has frequently visited the Indians on the Lac du Flambeau reservation.

SHOULD WEAR RED CAPS.

Capt. G. W. Rickman, state fish and game warden, hopes to greatly reduce the killed and wounded during this season's deer hunting in Wisconsin by urging all hunters to wear red caps. These articles of apparel will serve as a sort of headlight. Capt. Rickman also urges hunters to curb their enthusiasm to the extent of refraining from shooting at every moving object.

Last year during the open season for deer in this state there were thirty-three men fatally shot and thirty-six were injured. Indications are there will be a record breaking number of hunters this season, making greater precautions necessary. The open season for deer begins tomorrow and continues until the last day of the month.

Mrs. J. B. Goulette has her sister, Mrs. Wm. O'Neil, as a guest.

OFFER PRIZES FOR OFFICERS.

Great Interest Being Taken In State Military School.

Local national guard officers have received information from the adjutant general that the correspondence school this year will include courses in "Organization," "Map reading," "Combat," and a continuation of "Pat rollin and Advance Guard." These subjects were decided upon at a meeting Gen. G. R. Boardman had with J. F. Morrison general staff, at Fort Leavenworth last month. Boardman states that Major Morrison and his associates at the staff college are taking great interest in the military school in Wisconsin, the first state to take up this kind of labor. Prizes are to be offered this year. They will be based on the promptness and correctness of all answers and solutions sent in by correspondence as well as on the examination marking

prizes will be a fine pair of field glasses and an automatic pistol. Last year Major Morrison offered a saber and belt for the best solutions to the problems at the final examinations which was won by Lieut. W. H. Zuehlke, of Appleton.

TALK OF BASE BALL LEAGUE.

The Clintonville Tribune says that a move is now underway to form a base ball league from six of the cities and villages along this division of the Northwestern road. While no definite action has as yet been taken, considerable correspondence has been indulged in and a list of the towns to be included has been drafted. The league as at present proposed would consist of Antigo, Wisconsin, Tigerton, Clintonville, New London and either Rhinelander or Marion as the sixth member of the organization.

THE SENATE.

Washington, Nov. 9.—Elections held throughout the country resulted in a political convulsion of far-reaching extent similar to the famous tidal wave of 1892, but even more widespread in its effects.

The national house of representatives was carried by the Democrats.

JOHN A. DIX
GOVERNOR OF NEW YORK

who will control that branch of congress by a safe working majority after March 4, 1911, reversing the present Republican majority of 43.

The United States senate will have a reduced Republican majority as a result of legislative elections held in many states.

Summed up, the results of the various elections were as follows:

Democratic: Alabama, Connecticut, Florida, Indiana, Massachusetts, Nevada, New York, New Jersey, Ohio, Oklahoma, South Carolina and Texas.

Republican: Colorado, Delaware, Idaho, Michigan, Minnesota, Nebraska, New Hampshire, North Dakota, Pennsylvania, Rhode Island, South Dakota, Tennessee and Wisconsin.

Doubtful—Iowa and Kansas.

The New York state ticket wins by about 60,000 plurality for the lead of the ticket, John A. Dix. The rest of the Democratic state ticket is elected by reduced pluralities. The Republicans lost every member of congress in Greater New York except William M. Calder in Brooklyn. The legislature on joint ballot will be Democratic, thus insuring a successor to Clarence M. Depew.

For the first time since 1892, New Jersey went Democratic. Woodrow Wilson, president of Princeton university, is elected governor over Vivian M. Lewis, his Republican opponent, by a plurality that may reach 25,000. Except in Mr. Lewis' own county the Democratic candidate made gains in every county in the state, and all indications point to a legislature that will be Democratic on the joint ballot and name a Democratic as the successor of United States Senator John Kean, whose term expires in 1911.

Bass, Republican, is elected governor of New Hampshire. Hooper, Republican and fusion candidate for governor, defeats Robt L. Taylor, the Democratic candidate in Tennessee.

In Wisconsin Francis E. McGovern, Republican, is elected by a reduced

HIRAM W. JOHNSON.

Elected Governor of California by the Republicans of the State.

HIRAM W. JOHNSON

majority and the return of Senator La Follette is assured.

Both parties claim the legislature in Indiana.

In Minnesota the Republican state ticket, headed by Governor Eberhart, was elected.

In Iowa Governor Carroll ran behind in the cities and the Republicans pinned their hope on the country districts. Democrats claim the election of Porter for governor.

In Michigan Chase S. Osborn, Republican, was elected governor by a plurality estimated at 40,000.

In Chicago returns show that the local Democracy captured every county office with the exception of five county commissioners from the country towns. They have gained five seats in congress.

Republicans of Illinois carried the state ticket, although many changes were made in the congressional and legislative delegations, Democrats being the victors.

Incomplete returns from Montana indicate a close fight in the legislature which will elect a successor to United States Senator Carter. Pray, Republican, is re-elected to congress.

Col. Roosevelt lost his own election district by 60, his own county of Nassau by 500, and probably his own congressional district. Martin W. Littleton, Democrat, for congress has a plurality in the colonel's county over Congressman Cocks, who was often the spokesman for Col. Roosevelt when the colonel was president.

Massachusetts elected Foss, Democrat, governor by a plurality estimated in excess of 20,000.

In Kentucky, Caleb Powers, thrice convicted of the assassination of Gov. Goebel, and not long out of prison, was elected to congress by 3,000, carrying every county in his district except his home county of Laurel.

Returns from Kansas indicate the election of Governor Stubbs.

Uncle Joe Cannon, speaker of the house, is elected by the biggest majority the district has given for ten years. Serrano E. Payne, chairman of the ways and means committee, is elected by a plurality but little short of normal. John Dalzell, another of Speaker Cannon's lieutenants, is re-elected in Pennsylvania. J. Stuart Fasset, a supporter of Speaker Cannon, is defeated.

The Republicans lose senators from Maine, where the election has already been held; Indiana, Missouri, Nebraska, Nevada, New Jersey, New York and Ohio. This result means the Republican majority in the United States senate will be reduced from 25 to 16.

TAFT FEELS PARTY BLOW

President's Advisers Pin Hope on Impending Work by Congress.

Washington, D. C., Nov. 9.—Feeling keenly the blows dealt by voters to the great political party of which he is the head, President Taft returned to Washington from Cincinnati, where he cast his ballot in a lost cause. He had no comment to make on the result.

Disappointed as the president is over the loss of the house of representatives to the Democrats, his political advisers are planning their hope to the fact that a three months' session of the present Republican majority in both branches of congress is about to begin. It is known that into that brief period the administration intends to crowd as much of its legislative program as has the remotest chance of enactment.

CHAMP CLARK FOR SPEAKER

Missourian Gratified Over the Result of the Election.

Bowling Green, Mo., Nov. 9.—Champ Clark, minority leader in the house of representatives, when advised that the Democrats would control the next house of representatives, expressed his gratification.

"The landslide," said Mr. Clark, "is attributed directly to the tariff and the fight on the rules in the house. The rules split the Republican party and the tariff bill coming so soon after caused dissatisfaction throughout the country."

"I am an avowed candidate for speaker of the house, and I hope to be elected. Others have announced their candidacy for the speakership, but I expect to win over them."

WISCONSIN WON BY REPUBLICANS

La Follette Assured of His Return to the Senate.

SOCIALISTS ELECT BERGER

Defeated Henry F. Cochems for Congress in the Fifth District—Social Democrats Elect Their Ticket in Milwaukee.

Milwaukee, Wis., Nov. 9.—Francis E. McGovern, a La Follette Republican, and a legislature of La Follette Republicans were elected in Wisconsin, the Democrats conceding McGovern a plurality of 50,000 over A. J. Schmitz, Democratic nominee. The Republican vote shows a falling off of about 15 per cent.

McGovern's plurality is much smaller than was expected by his friends, and is accounted for in part by a belief on the part of some that Mr. McGovern is already a candidate for the United States senate to succeed Senator Isaac Stephenson. Congressman I. L. Lenroot of the eleventh district is said to be the choice of La Follette for Stephenson's seat. The fact that this was widely advertised is supposed to have been responsible for McGovern's reduced plurality.

Eight Republican congressmen have been elected and one Democrat in the sixth district. The fifth district, in which Henry F. Cochems, who nominated La Follette for president in the last Republican national convention, gave a plurality for Victor L. Berger, Social Democrat. The contest in the fourth district between Gaylord, Socialist, and his Republican opponent is so close that only the completed returns will indicate the winner.

The election of a La Follette legislature assures his return to the United States senate.

The Social Democrats elect their Milwaukee county ticket by between 2,000 and 5,000, according to the latest returns. They are conceded thirteen members of the legislature and expect to add to this when complete returns are in from Sheboygan and Douglas counties.

OTHER ELECTION RETURNS

Results From Various States and Cities Given Briefly.

Fargo, N. D., Nov. 9.—The state has elected a Republican legislature, which insures the re-election of McCumber to the senate, and the election of Congressman G. Bonna to fill the vacancy caused by the death of Senator Johnson. Both Republican candidates for congress have won.

Little Rock, Ark., Nov. 9.—Arkansas voted for congressmen alone, the state election having taken place in September. A light vote was polled throughout the state, being fully 40 per cent smaller than the election in September. The state returns a full Democratic delegation to congress.

Austin, Tex., Nov. 9.—It is estimated that the total vote in Texas was less than 300,000, which is 200,000 short of the qualified voting strength. Of this number, O. B. Colquitt, Democrat, has received approximately 225,000 and J. O. Terrell, Republican, 75,000 votes. No important state issues were involved in the contest.

Boise, Idaho, Nov. 9.—Scattering returns indicate the election of the entire Republican ticket, headed by Brady, for governor, but by reduced majorities. French, an insurgent, seems certain of election to congress. The legislature will be Republican.

Harrisburg, Pa., Nov. 9.—Incomplete returns indicate the election of John K. Tener, Republican, as governor of Pennsylvania by a plurality of 100,000 over William H. Perry, the Keystone party candidate, who has the support of the independent element. Webster Grim, the regular Democratic nominee, appears to have run behind Perry.

Baltimore, Nov. 9.—Maryland elects five Democratic congressmen and one Republican, a Democratic gain of three congressmen. The last congressional delegation standing three Republicans and three Democrats.

Birmingham, Ala., Nov. 9.—Prohibition played a part in the election in Alabama. Emmett O'Neal, Democrat, is elected governor of Alabama, over J. O. Thompson, Republican, by 20,000 to 30,000 majority at least.

St. Paul, Minn., Nov. 9.—Returns from country precincts, where the polls close early, indicate the election of Everhardt, Republican, for governor, by 30,000.

CALIFORNIA REPUBLICAN

H. W. Johnson for Governor and Kent Goes to Congress.

San Francisco, Cal., Nov. 9.—Republicans won a decisive victory all along the line in California, giving a heavy plurality for Hiram W. Johnson, the Republican candidate for governor, over Theodore Bell, his Democratic opponent.

William Kent, formerly of Chicago, seems to have been elected to congress from the second district by a substantial majority and Julius Kahn and E. A. Hayes, Republican incumbents in the fourth and fifth districts, have been returned to the lower house.

INDIANA GOES DEMOCRATIC

Result Means the Retirement of Senator Beveridge.

STATE TICKET IS DEMOCRATIC

Democrats Also Claim the Legislature Will Be Favorable to Kern by Majority of Twelve on Joint Ballot.

Indianapolis, Ind., Nov. 9.—Incomplete returns from a majority of the ninety-two counties of Indiana indicate that the Democrats will have a majority in the legislature and that the state ticket will be Democratic by a small plurality.

John W. Kern, Democratic candidate for United States senator, issued a statement declaring that the legislature was Democratic. Stokes Jackson, chairman of the Democratic state committee, also asserted the Democrats had made a clean sweep.

The Democrats elected twelve of thirteen Indiana congressmen, Edgar D. Crumpacker of the Tenth district being the only Republican in the delegation. He was re-elected by a reduced majority.

That the Democratic state ticket was elected is not doubted, but estimates of the plurality range from 5,000 to 30,000.

At the respective party headquarters found the party leaders poring over the late returns. Thomas Taggart, former chairman of the Democratic national committee, said:

"The legislature will be Democratic by a majority of fourteen and we shall send John W. Kern to the United States senate in the place of Senator Beveridge. Our state ticket we have elected by at least 30,000."

At Democratic headquarters where late returns were being eagerly scanned, it was maintained that the legislature would be Democratic by at least 12 majority on joint ballot, and that therefore Mr. Kern would succeed Mr. Beveridge in the senate.

CARROLL RUNS BEHIND

Iowa Governor Loses in Cities—Hope Lies in Country.

Des Moines, Ia., Nov. 9.—Gov. Carroll, Republican candidate for governor, is running badly behind, according to the incomplete returns from throughout the state. He has apparently lost the city of Des Moines to

C. R. PORTER

Claude R. Porter, Democrat, by 500. Two years ago Carroll carried the city by 3,800. Carroll has lost Sioux City, Cedar Rapids, Davenport and Dubuque. He must depend upon country districts to win.

Republicans have apparently lost three congressmen. Charles Grilk, Republican progressive, defeated I. S. Pepper, Democrat, in the Second district. It looks like D. D. Murphy, Democrat, has defeated G. N. Haugen, Republican progressive, in the Fourth district. Nate Kendall, Republican congressman in the Sixth district, is apparently defeated by Dan Hamilton, Democrat.

BOTH CLAIM MISSOURI

Democrats and Republicans Dispute as to Result on State Ticket.

St. Louis, Mo., Nov. 9.—Both Republican and Democratic managers claim their state tickets were elected. Latest returns indicate substantial increases for the Republicans and point to possible success for their candidates for supreme court justices, superintendent of schools and railroad commissioner.

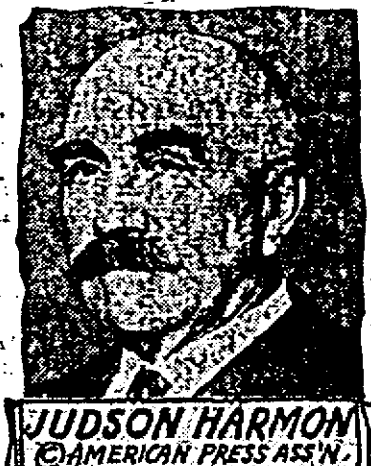

The legislature is believed to be safely Democratic. St. Louis gave its largest Republican majority in recent years, nearly 30,000 in some cases. The defeat of prohibition by 140,000 is claimed. It is believed that all the other proposed amendments were lost.

Washington is Republican.

Seattle, Wash., Nov. 9.—Returns show the election of the three Republican candidates for congress by substantial pluralities and the election of the five Republican supreme justice candidates.

JUDSON HARMON.

Who Was Re-Elected Governor of Ohio by the Democrats.

JUDSON HARMON
GOVERNOR OF OHIO

HARMON WINS IN OHIO.

Has a Plurality of 40,000 Over Warren G. Harding.

Columbus, O., Nov. 9.—By being elected governor of Ohio for a second term, Judson Harmon performed a feat which has not been witnessed since Gov. Wood was re-elected in 1851.

Harmon had been elected by a plurality of 40,000 over Warren G. Harding. Harmon carried the big cities as was expected, Harding falling behind the vote for Ex-Gov. Harris, Harmon's former opponent, in most of the smaller counties.

For the third time in succession electing a governor, the Democrats have again failed to elect the balance of their state ticket. The state senate and possibly the legislature will be Democratic on joint ballot, resulting in the election of a Democrat to succeed Senator Charles Dick.

NEBRASKA RETURNS

Aldrich Elected Governor by a Plurality of 5,000 to 10,000.

Omaha, Nov. 9.—Chester H. Aldrich, Republican, has been elected governor of Nebraska over James C. Dahlgren, Democrat, by a plurality of 5,000 to 10,000. The Omaha Bee, Republican, claims Aldrich's election by at least 7,000, and the Omaha World-Herald, Democratic, admits Dahlgren's probable defeat.

Congressman Gilbert M. Hitchcock, Democrat, candidate for the United States senate in opposition to Senator Elmer J. Burkett, has run ahead of Dahlgren generally and the World-Herald, of which Hitchcock is proprietor, claims his election, under the Oregon plan of voting, by 24,000.

It seems likely the entire Republican state ticket has been elected.

WILSON'S PLURALITY

Former President of Princeton Elected Governor of New Jersey.

Trenton, N. J., Nov. 9.—Latest election figures make Woodrow Wilson's plurality for governor over Vivian M. Lewis, Republican, 25,000, with the possibility that when the final returns are in it will be increased to 30,000.

Every possible doubt seems to have been removed as to the Democrats controlling the legislature on joint ballot, and therefore a Democrat will be elected to the United States senate to succeed John Kean, Republican, on March 4 next. The Democrats seem to have a majority of ten on joint ballot.

Baldwin Wins in Connecticut.

Hartford, Conn., Nov. 9.—Baldwin is elected governor by about 4,000. The Democrats gain one congressman, the Second district. The Republican majorities in the others are cut away down. The Democrats gain fifteen seats in the senate and fifty in the house, but legislature Republican.

North Dakota in Doubt.

Bismarck, N. D., Nov. 9.—Careful inspection of the latest returns from the gubernatorial election fails to show that either candidate can claim the election. Hanna and Helgeson, Republican congressmen, win by big majorities. The legislature is overwhelmingly Republican.

Longworth Re-Elected.

Cincinnati, O., Nov. 9.—Nicholas Longworth, Jr., was re-elected to congress by a safe margin, despite the slashing of the Republican ticket which resulted in Governor Harmon getting 15,000 plurality in the same district.

Kansas Cuts Stubbs' Vote.

Topeka, Kan., Nov. 9.—Additional returns bring Governor Stubbs' plurality down rapidly. It appears now his plurality will be under 10,000, less than one-third what it was two years ago.

35 KILLED IN MINE

Terrible Disaster Occurs in Colliery at Delagua, Colo.

Delagua, Colo., Nov. 9.—Thirty-five men are known to have been killed in the explosion that wrecked a portion of mine No. 2 of the Victor American fuel company.

Nine men were rescued alive by parties searching in the mine.

RETURNS FROM PRAIRIE STATE

Browne, Wilson and Broderick Returned to Legislature.

GAIN CONGRESSMEN IN STATE

Illinois Representation in Next Congress Will Have Democratic Majority—McKinley Wins in Congressional Race.

Springfield, Ill., Nov. 9.—Election returns for the entire state show that Illinois chose twelve Democrats and twelve Republicans to represent it in the lower house of the sixty-second congress.

This is a big change from the representation in the present house.

In the sixty-first congress, Illinois had six Democrats and nineteen Republicans.

The Republicans carried the state ticket in the election of Edmund E. Blitchell for state treasurer by 13,529 majority and also the election of the three Republican candidates for trustees of the university of Illinois.

The entire Democratic county, judicial and municipal tickets have won in Cook county by pluralities ranging from 25,000 to 40,000.

Democratic managers in Cook county claim a gain of five congressmen in the city of Chicago.

The Illinois representation in the next congress will have a Democratic majority. Democrats opposed to Republican candidates for congress in the lead: Maher in the First; Vaughn, in the second; Stack, in the Sixth; Buchanan, in the Seventh and Evans, in the Ninth. Congressman Gallagher, McDermott and Sabath, Democrats, have been re-elected.

W. B. McKinley has been re-elected to congress; as has also W. W. Wilson.

The fight between Congressman George E. Foss, Republican, of the Tenth Illinois district, and Richard J. Finnegan, Democrat, is close.

Many a new face was swept into the Illinois legislature by the tidal wave of ballots and the Forty-Seventh general assembly which meets in Springfield next winter, will undoubtedly be a great advance on its unsavory predecessor, the Forty-Sixth, with its bipartisan alliance and its "jack pots."

The leaders of the old guard march back in triumph, but this time they are like generals without an army. Less than one-half of the men who sat in the last house and voted in the bipartisan combination, have gone back. Three of the lawmakers who were indicted in connection with the "jack pot" scandals and who now face trial in Sangamon county were re-elected.

In Ottawa, Lee O'Neal Browne had little trouble in retaining his legislative shoes in the Sixth district, Robert E. Wilson got back into his seat, defeating Dudley F. Hayes, prohibitionist. On the west side of Chicago Senator John Broderick was re-elected.

Rev. Frank G. Smith, who ran as an Independent, was elected representative from the nineteenth district.

Catarrh of the Stomach a Prevalent Disease Difficult to Relieve.

A PROMPT AND EFFICIENT REMEDY.

Mr. S. W. Jackson, 315 Weaver Block, Greenville, Ohio, says: "While I was superintendent of construction of J. F. Bender and Bros. Co., of Hamilton, Ohio, I became entirely unfit for business with catarrh of the stomach. A friend called my attention to a remedy for this condition. I began to improve at once. I was soon able to return to my former profession."

"It would require many pages to describe the condition I was in and the relief I have obtained."

Here is another case. Officer George T. Stout, 721 North Broadway, Baltimore, Md., says: "I suffered very much with catarrh of the stomach and nervous indigestion. I lost fifty pounds in four months."

"A friend called my attention to a remedy, which I used, and gradually got well. I have gained half my lost weight back again."

Chronic Stomach Trouble.

Mr. Robert J. Gillespie, 633 South Main St., Los Angeles, Cal., secretary of Father's International Union, was also suffering from catarrh of the stomach a long time. He grew thinner and paler, lost all ambition and appetite. Sick at the stomach, indigestion continually.

A friend also called his attention to a remedy, which brought about a decided improvement. After continuing the use of the remedy for a month, he considers himself permanently relieved.

Now, once more. Mr. Christian Hoffman, Slaton, Pa., says he suffered for many years with catarrh of the stomach. It produced a miserable cough, day and night. He tried doctors and many remedies. At last his attention was called to a remedy, the same remedy that relieved the others which have been referred to above. He claims that he was entirely rid of his stomach difficulty.

Peruna Brought Back Health.

What was the remedy that has wrought this remarkable relief? So far, the remedy has not been mentioned.

If any one doubts the correctness of these statements it is very easy to verify them by writing to the people whose names have been given, enclosing a stamp for reply.

The remedy is within the reach of every one. It is simply the good, old standard reliable remedy known as Peruna.

If the truth were known, the probabilities are that Peruna has relieved as many cases of catarrh of the stomach as any other popular remedy in existence. We have a great many unsolicited testimonials from all parts of the United States, declaring in strong and enthusiastic terms that Peruna has entirely relieved them of catarrh of the stomach, that they were wretched and miserable beyond words, but Peruna has restored them to health, vigor and happiness.

These are the facts. Now, if you have stomach difficulty, it is up to you to act upon them or ignore them, as you please.

Symptoms of Stomach Catarrh.

"The affection may result from errors in diet, or the use of alcohol. The excessive use of tobacco, especially when the juice of the leaves are swallowed, is likely to cause it."

"Highly seasoned or coarse, irritating foods, sometimes induce the disease."

"As chronic gastritis (catarrh of the stomach) is essentially a secondary affection, one of the primary causes is an unhealthy state of the mouth, nose or throat, such as bad teeth or catarrh of the nose (ozena)."

"The patients are usually poorly nourished, pale, rallow, thin, fatigued, easily induced, muscles flabby. Loss of appetite or capricious appetite."

"The tongue is usually coated brownish gray. Cankered mouth is a common occurrence."

"Pain is not common. When present it is usually dull, and is aggravated by food, especially when this is of an irritating character."

"Vomiting may occur in the morning. Also after meals. Sickiness to the stomach frequent and persistent."

"Food produces dull headache, and a feeling of general nervous distress. Constipation usually quite marked."

"These symptoms, given by Gould and Pyle, coincide exactly with the frequent descriptions Dr. Hartman is receiving from patients all over the United States."

If you have any of these symptoms get a bottle of Peruna. Take a dose before each meal. See if your stomach does not immediately feel better, your appetite improve, your digestion at once resume business.

People who object to liquid medicines can now secure Peruna tablets.

NEARBY TOWNS
Ladysmith—Adolph Norstrom, son of a widow at Tony, accidentally shot and killed himself with a 22 calibre rifle while hunting. He became separated from his companions and a short time later his dead body was found with a bullet hole in his brain. The supposition is that he was swinging his gun and it discharged.

Crandon—This city will be represented by a strong basketball team this season and games will be secured with several of the leading teams of the state. Crandon has always been to the front when it comes to playing basket ball and the team this year promises to be the peer of their year.

New London—Henry Quirk, a brake man on the Chicago & Northwestern road, met death at Marion by falling under the wheels of his train. He was hanging onto the side of the car and was brushed off by one of the new style cattle guards. An arm and a leg were severed and died in a Clintonville hospital. Quirk's home was at Antigo.

Washburn—The glove factory of S. Clukey & Co., in this city, is doing a large business in the output of canvass and cotton gloves. The concern at present is small but is bound to expand and become one of the leading industries of the city. Their product is shipped to the big Superior and Duluth department stores.

Antigo—Judge Ogden, of the municipal court, in a move to cut down expenses, suggests that in the future all warrants for game law violators be served by the deputy wardens. Instead of the sheriff or undersheriff. As the wardens receive salaries for their services they could not expect fees for serving such warrants, as in the case of the sheriff's office.

Escanaba—If Anton Kostitzki gets drunk within the next five years he will go to state prison. This is the unique sentence imposed upon the man by Judge R. C. Flannigan, after the prisoner had pleaded guilty to assault with intent to do great bodily harm. Kostitzki is the father of a large family but gives them little support owing to his appetite for liquor. The court ordered that the man care for his family and remain sober for five years. Time will tell which he prefers, saloon bars or prison bars.

Gladstone—Irene Chaille, the little Newhall child who became lost in the woods nearly three weeks ago, is still missing and all hopes of finding her alive have been abandoned. The belief is that the child fell into the Ford River and drowned.

Stevens Point There is a rumor that the S. C. railway company is to erect a \$7,000 passenger depot in this city. While a new depot is badly needed the residents of this city have but little faith in the report that the company will make the improvement.

Tomahawk—A new \$250,000 pulp and paper mill will be built at King dam near this city by the Tomahawk Pulp & Paper Company. Work has already commenced on the foundation of the pulp mill and it is expected that this will be in operation by February, 1st. All the contracts for machinery for the plant have been let. Finishing touches are now being put on the new King dam which has been in the course of construction for the last year. The power plant at the dam will generate 3,200 horse power. This power has been leased by the Pulp & Paper Company for a long term of years.

Ironwood—A deal will soon be consummated whereby the furnace and mining properties in the Lake Superior region of the Corrigan-McKinney Co. will become the property of the United States Steel Corporation. This will be one of the largest transactions in several years in this region and will involve over \$20,000,000 of mine properties alone. The Corrigan-McKinney Company has extensive interests on the Michigan and Minnes-

FORECLOSURE SALE
CIRCUIT COURT, ONEIDA COUNTY.
F. A. Hildebrand, Plaintiff
vs.
Rosa St. Claire, Mrs. William Williamson, Mrs. John Wright, Keturah Pearson, Jennie Linne, Webster Hecker, heirs at law of Joseph Hecker, and Emma Hecker, Defendants.

Notice is hereby given, that by virtue of a judgment of foreclosure and sale made and entered in the above entitled action on the 15th day of October, 1924, I shall, pursuant to the terms of said judgment, offer for sale and sell at public auction to the highest bidder for cash, at the front door of the court house in the city of Rhinelander, Wisconsin, on the 3rd day of December, 1924, at ten o'clock in the forenoon of that day, the real estate and premises described in said judgment as follows, viz:

(1) Lot number seven (7) in Block number one (1) of Lot number one (1) in Block number two (2), all in the South Park addition to Rhinelander, Oneida County, Wisconsin, according to the record plat of said addition, dated October 21, 1910. B. E. JILLSON, Sheriff

City of Rhinelander, ss
I, the undersigned, Clerk of the Circuit Court of Oneida County, do hereby certify that the foregoing is a true and correct copy of the judgment of foreclosure and sale made and entered in the above entitled action on the 15th day of October, 1924, and that the same is now on file in my office for the purpose of being offered for sale and sold at public auction to the highest bidder for cash, at the front door of the court house in the city of Rhinelander, Wisconsin, on the 3rd day of December, 1924, at ten o'clock in the forenoon of that day, the real estate and premises described in said judgment as follows, viz:

(1) Lot number seven (7) in Block number one (1) of Lot number one (1) in Block number two (2), all in the South Park addition to Rhinelander, Oneida County, Wisconsin, according to the record plat of said addition, dated October 21, 1910. B. E. JILLSON, Sheriff

This is the Stove Polish All the Housewives Are Talking About

It is so much better than other stove polishes that it is in a class all by itself.

Makes a brilliant, silky polish that does not rub off or dust off, and the shine lasts four times as long as ordinary stove polish.

Used on sample stoves and sold by housewives.

All we ask is a trial. Use it on your cook stove, your parlor stove or your gas range. If you don't find it the best stove polish you ever used, your dealer is authorized to refund your money.

Just on Black Silk Stove Polish.

Made in liquid or paste—one quality.

Flourange—Free power to the amount of twenty horse has been asked of this city by a knitting concern which considers locating here. The firm manufactures woolen goods and novelties and agrees to maintain from three to five machines on the start and to employ from ten to twenty people.

Florence—The coroner's jury in the case of Wm. Russell, a Northwestern engineer who was killed in a head-on collision, found that the cause of the wreck was due to the failure of the conductor and engineer of the train which ran into Russell's train, to read their orders. The jury also censured the railway company for not employing a night operator at Crystal Falls, near which town the wreck occurred.

Merrill—St. Francis Xavier's Catholic church which was damaged to some extent by the storm of last summer is being repaired. The building has been closed to services for several weeks.

Marquette—The Marquette city council is seriously considering the proposition of discontinuing all street lighting unless some relief from the situation, which the council claims exists, can be had. The city council, to a man, is of the belief that the city at the present time is getting an altogether inadequate light service, and take the position that they are ready to do anything possible to change present conditions, even to the extent of ordering the discontinuance of all city lights until the situation is adjusted.

HEXAMETHYLENETETRAMINE
Is the name of a German chemical one of the many valuable ingredients of Foley's Kidney Remedy. Hexamethylenetetramine is recognized by medical text books and authorities as a uric acid solvent and anti-septic for the urine. Take Foley's Kidney Remedy promptly at the first sign of kidney trouble and avoid a serious malady.

MUST RETURN EXCESS CHARGE.
The state rate commission has ordered the Soo and the Green Bay & Western railway companies to pay to the A. S. Badger Company, \$39.05, an excess collected by the companies on two car loads of lumber shipped from this city to Whitehall.

The rate charged was 16 cents per 100 pounds and the commission finds that that rate was exorbitant and that a joint rate of 11 cents would be reasonable.

The Soo road is directed to make the payment and then adjust the matter with the Green Bay road.

Stomach Troubles
Cured by Vinol

HERE IS PROOF
"I suffered so long from stomach trouble and indigestion, that I lost flesh rapidly—VINOL cured me after everything else had failed. It strengthened my digestive organs—gave me a hearty appetite, and I can eat anything without the slightest distress. I do not believe anything equals VINOL for stomach trouble and indigestion."
W. E. WATERHOUSE, Portland, Me.

Mr. Thos. G. Wallace, of Detroit, Mich., writes, "I suffered for years from a chronic stomach trouble. VINOL entirely cured me after everything else had failed."

It is the curative medicinal elements of the cod's liver, combined with the strengthening properties of tonic iron contained in VINOL, which makes it so successful in restoring perfect digestion, and at the same time building up the weakened run-down system.

Try a bottle of VINOL with the understanding that your money will be returned if it does not help you.

CURING CATARRH.
Accept Our Advice and Try This Remedy at Our Risk.

Catarrh is a disease of the mucous membrane. The mucous membrane, in one may say, the interior lining of the body. Catarrh therefore may exist in any part of the system.

When the catarrhal poison attacks the mucous membrane, inflammation and congestion are produced and nature fails to throw off the accumulated poisons. The organ which has been afflicted ceases to perform its proper function as nature intended it should. The result is, complication upon complication, which may lead to other even more serious afflictions.

We honestly believe Rexall Muc-Tone will do wonders toward overcoming catarrh. It is made from the prescription of an eminent physician who made a long study of catarrh, and his great success with this remedy was an enviable one.

We want you if you are a sufferer from catarrh in any form, to give Rexall Muc-Tone a thorough trial. Use it with regularity and persistence for a reasonable time, then if you are not satisfied, come back and tell us, and without question or formality we will hand back to you every cent you paid us. This is certainly the fairest offer that any one could make and should attest our sincerity of purpose. It comes in two sizes, prices 10 cents and \$1.00. Remember you can obtain it only at—The Rexall Store.

FOR SAFETY OF PASSENGERS
The Northwestern railway company has appointed a commission of employees from every branch of the service, who are to take up matters of importance in making travel safe. By bulletins issued recently every employee of the company is directed to file suggestions with the commission on how to make the road more safe for employees and travelers. The company anticipates fewer accidents as a result of the new policy. Other orders are to the effect that station men shall look out that the side walks and platforms of their stations are properly cared for, as there have been numerous accidents caused by protruding nails and other defects in station platforms.

IF WOMEN ONLY KNEW.
What a Heap of Happiness It Would Bring to Rhinelander Homes.

Hard to do housework with an aching back.

Brings you hours of misery at leisure or at work.

If women only knew the cause—that Backache pains come from sick kidneys.

"Would save much needless woe. Doan's Kidney Pills cure sick kidneys."

Rhinelander people endorse this: Mrs. John Hull, of 722 Dorr Ave., Rhinelander, Wis., says: "About a year ago I was suddenly attacked with kidney trouble. The first symptom was a severe pain in the small of my back, then my sides began to pain me and I had frequent headaches. I also noticed that the kidneys' secretions were unnatural and I finally procured Doan's Kidney Pills at Reardon's Drug Store. They entirely relieved me and I have had no kidney trouble since."

WRECK ON SOO.
The Soo train which arrives here at 5:20 p. m. was wrecked last Friday evening, near Osceola, when several hundred tons of rock was dislodged from an overhanging cliff and crashed down on the engine.

A panic among the passengers was narrowly averted, but fireman Woten was the only one hurt. He jumped from the engine and received several bad bruises.

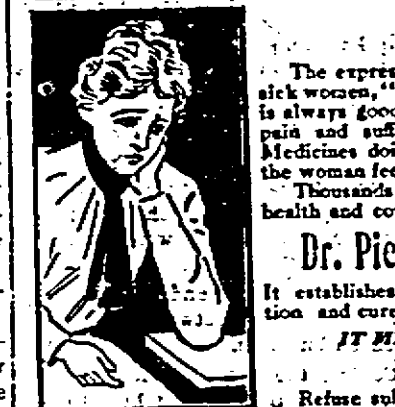

The engine and tender were thrown into the ditch, but the coaches remained on the rails. So great was the force of the impact that the engine ploughed into the embankment, almost burying itself.

The engineer admirably stayed by his post post to apply the air, and escaped uninjured.

Traffic was delayed several hours, until the wrecking crew finally arrived on the scene and made away with the debris.

A HOUSEHOLD MEDICINE

Discouraged
The expression occurs to many times in letters from sick women, "I was completely discouraged." And there is always good reason for the discouragement. Years of pain and suffering. Doctor after doctor tried in vain. Medicines doing no lasting good. It is no wonder that the woman feels discouraged.

Thousands of these weak and sick women have found health and courage regained as the result of the use of

Dr. Pierce's Favorite Prescription.

It establishes regularity, heals inflammation and ulceration and cures weakness.

IT MAKES WEAK WOMEN STRONG AND SICK WOMEN WELL.

Refuse substitutes offered by unscrupulous druggists for this reliable remedy.

Sick women are invited to consult by letter, free. All correspondence strictly private and sacredly confidential. Write without fear and without fee to World's Dispensary, R. V. Pierce, M. D., Pres., Buffalo, N. Y.

NICHOLSON-ELLIOTT NUPRIALS.
Ceremony is Performed At Toronto Last Wednesday Afternoon.

The marriage of Miss Mary Ellen Nicholson and John T. Elliott M. D. took place at half past two o'clock, Wednesday afternoon, November 2, at St. Paul's Anglican church, Bloor Street, Toronto.

The ceremony was performed by the rector, the Venerable Archdeacon Coady.

The bride, who was dressed in a traveling suit of navy blue, was given away by her brother, Andrew Nicholson. Miss Anna Ward of Toronto was maid of honor, while George C. Nicholson assisted the groom.

The bride is the youngest daughter of Geo. Nicholson of Markham, Ont. She was private secretary of Dr. Parkin, formerly Principal of Upper Canada College, and later assistant to the Bursar.

She is well known and has many friends in Toronto.

After a wedding breakfast Dr. and Mrs. Elliott left on a short trip to Hamilton and Niagara Falls. On Monday they held a reception at the residence of the bride's brother at 498 Church Street, Toronto, prior to leaving for Owen Sound, the home of the groom. From there they will leave for this city, arriving here about November 15.

BARGAINS

Now that the Christmas trade has begun in real earnest, let's have an understanding.

This is not a bargain store in the general acceptance of the term, and the exclusiveness of our lines precludes the possibility of many comparisons. But we believe our prices, as a whole, are the lowest—absolutely to lowest—for goods of equal merit.

They are bargains only in the sense of their desirability and because we never lose sight of the fact that the growth of this store can only be promoted through the satisfaction of its patrons.

MRS. BERT ELLIOT DEAD.
After a three months struggle with pulmonary tuberculosis, Mrs. Bert Elliot late of this city, finally passed away on Saturday.

The Elliot family moved into Rhinelander recently from a country dwelling, and although suffering with the much dreaded disease, the end was not expected.

About two weeks ago, Mr. and Mrs. Elliot buried a baby and shortly afterwards Mrs. Elliot was taken to the home of her father, John Bessey, at Merrill, where it was thought she would have better care and be more quiet than at home with the children, but she became worse and sank lower and lower till Saturday when she expired.

Mrs. Elliot is survived by her husband and several children. The funeral was conducted Tuesday morning from the Hildebrand undertaking rooms.

AROUND THE CIRCLE

A very pretty wedding was solemnized Sunday afternoon at 3.30 O'clock when Miss Lena Hahn, became the bride of Mr. Dewy Sears. The ceremony took place at the brides parents Mr. and Mrs. Wm. Hahn in the town of Crescent. The bride was very neatly attired in Messeline Silk of Copenhagen Blue and carried a bouquet each of Carnations and Chrysanthemums. The Bridesmaids were Miss Sarah Swanson and Miss Julia Ulrich, while the best men were Mr. R. J. Rousseau, and Mr. Frank Smith. The rooms were neatly decorated with evergreens while the tables were groined under the good things to eat. Immediately after the ceremony the bountiful repast was partaken of which all seemed to enjoy very much and that nothing had been spared to satisfy the "inner man". Nearly 50 invited guests were present and after a very pleasant evening well spent the guests were treated to a second repast about 12.30 P. M. consisting of fine Oyster Supper. Among the relatives and near friends present were the families of M. Fred Smith, Mr. Wm. Gilley, and Mr. Herman Schlottke, of Rhinelander. The young couple are well and favorably known in this vicinity and all join in wishing them a long and pleasant journey through life. Mr. and Mrs. Sears, expect to make their home in Iron River, Wis where he holds a good position as Millwright for a large Lumber Co.

Mrs. Mary Ames, Phoebe and Chester, expect to start for Sand Point, Idaho, in the near future, where she expects to join her son, Arthur, who has made that place his home for the past year or so.

Bert Elliot, who resides in the town of Pelican, is certainly deserving of sympathy. About two weeks ago he had the misfortune to lose his young three months old child and last Saturday he had the misfortune to lose his wife, who died at the home of her parents at Merrill, Wis., where she had been taken for treatment. Funeral

services were held at Merrill, and the body was brought here today (Thursday) for interment in the Protestant cemetery.

Wm. Tucker, who left his farm last spring to see the western country and, eventually, to look up a future home, has finally drifted back to good old Wisconsin again. After wandering through Colorado, Utah, Wyoming, Washington, Idaho and Montana he has at last made up his mind that Wisconsin soil is good enough for him.

Jacob Scheiddegger and the Cunan Bros. have taken a logging contract from the Minneapolis Cedar Co., of Gagen, Wis., and expect to commence operations soon near that place.

Ed. Maloney has disposed of his fine team of horses he has driven so long, and which has served him so faithfully.

We understand that Emile Gillmore has purchased the farm property formerly owned by L. Wolf in the town of Pelican.

Tom Sweo has a bad case of matrimonial fever but, we understand, is in no danger at the present writing.

The wedding of Mr. Thomas. Sweo and Miss Ida Preuger was solemnized this (Thursday) morning at St. Mary's church at 9 O'clock while the reception is to be held at the home of the bride Mr. Aug Kreuger, in the town of Crescent in the evening. Both parties are well known young people of the town and their many friends join in wishing them a long and prosperous journey through life.

Tom Dunn, departed for Iona Junction Wednesday where is engaged in building a School House which he expects to complete some time next week.

Mr. Louis Haase, and wife attended the wedding of Mr. Dewy Sears and Miss Lena Hahn at the brides home Sunday afternoon and reports as splendid time.

Mr. Sam Beaver is circulating a petition for the extension of our R. F. D. Mail Route so as to take in Woodboro and back via Sunset Hill.

Miss Hattie Meyers, was a city caller the first of the week.

The "Wearbetter Combination" STRONGEST SUIT FOR BOYS

Mothers will be glad to know that a suit has been designed that is irresistible to strain. The most strenuous games can be played without fear of tearing the garment. Each suit has two pairs of knee pants—one of regular style, made with double knees and seat, all seams taped and double sewed, and one of knickerbocker design, with straps and buckles.

The trousers have strong pockets, riveted buttons, extension waistband—and are moth-resisting and sanitary.

The fabrics are of high-grade textures widely known for their superior wearing qualities. Shrinking or stretching is made impossible by a special sponging process.

We Guarantee Every Suit

If any of the sewing slips we exchange it for a new one. Buy your boy a "WEARBETTER COMBINATION"—the suit of style and strength.

This week we are offering special inducements in boys' suits. Some with 2 pair of pants from 2.29 to 5.00.

Boys' and girls' North Star all wool mackinaws go at 3.00 and 3.50 for this week.

A strong line of men's pants for winter wear, at 2.00 per pair.
